FACULTY SENATE RESOLUTION 82-2

The Faculty Senate recommends the development and implementation of a survey to allow assessment of LSU's recruiting efforts for both undergraduate and graduate students. The Faculty Senate Student Recruiting Committee and appropriate administrators and staff should develop the survey. The cost for the survey is estimated to be approximately \$6000.00. (The purpose of the survey and the projected cost are more fully described in the attached memorandum from the Faculty Senate Student Recruiting Committee.)
