*The Resurrection*

Dying

To be born anew

Shedding the layers

Of worldly conformity

Rising up

Shining

And free

Showing the world

What it means to be

Divine.

Leaving behind

Titles and judgement

Of others,

By others.

Shedding labels

To rise again

Saying "I am"

Freer

Clearer

Taking ownership of the divine light

That is within

Human

Spirit

Creator

Of a beautiful world.

Coming to the physical plane

To learn

To shed imperfections

To lead the way to spirit

The way to everlasting life:

Death to who the world told you to be.

A lesson in unattachment

A lesson in true love

A Resurrection.

To who you really are

To self

To divinity

To what it truly means

To see the face of God

And to be made free

And sinless before it

Becoming the you you were before you came here.
