A RESOLUTION

TO URGE AND REQUEST THAT THE Office of Parking and Transportation at Louisiana State University make it a priority to restripe roads going through campus.

PARAGRAPH 1: Whereas, the current striping on the roads going through campus is not visible during the night and during rainy weather; and

PARAGRAPH 2: Whereas, the Office of Parking and Transportation is aware of the issues with the current striping but have allowed other projects to take priority; and

PARAGRAPH 3: Whereas, during summer construction, other construction projects have taken priority over restriping.

PARAGRAPH 4: Whereas, new striping will increase safety for drivers on campus, as well as safety for pedestrians.

PARAGRAPH 5: Therefore, be it resolved by the Louisiana State University and Agricultural and Mechanical College Student Senate that the Office of Parking and Transportation of Louisiana State University make it a priority to restripe roads going through campus.

PARAGRAPH 6: Be it further resolved that a copy of this resolution be transmitted to Jeff Campbell, Senior Director of Administration Services, Risk Management, and Parking & Transportation services, Roger Husser, Director of Planning, Design and Construction of Office of Facility Services, and Tony Lambardo, Executive Director of Facility Services.

PARAGRAPH 7: This resolution shall take effect upon passage by a simple majority (1/2) vote of the LSU Student Senate and signature by the President, upon lapse of time for presidential action, or if vetoed by the President and subsequently approved by the Senate, on the date of such approval.
