LSU A&M Faculty Senate Resolution 17-01

Return of Fall, Spring and Summer Course Designations to the Catalog

*Sponsored by Joan King
on Behalf of the College of Agriculture Curriculum Coordinators*

Whereas all catalogs prior to 2012 listed all courses with fall, spring and summer designations for when courses were offered; and

Whereas students and advisors rely on the catalog for information on courses; and

Whereas students do not always meet with advisors prior to scheduling; and

Whereas students cannot always follow an eight semester path plan exactly due to changes in majors and time of entry into the new major; and

Whereas students who take the incorrect course sequence will likely have a delay in their graduation; and

Whereas the university publishes the catalog online so that course changes can now be easily and timely placed into the catalog in the online system; and

Be it resolved that the LSU A&M Faculty Senate requests that all courses have semester offering designation placed back into the catalog starting with the 2017 to 2018 school year.
