Correction for 'Porous monoliths synthesized via polymerization of styrene and divinyl benzene in nonaqueous deep-eutectic solvent-based HIPEs' by M. G. Pérez-García *et al.*, *RSC Adv.*, 2015, 5, 23255–23260.

The authors regret that there was an error in the results and discussion section of the original article. On page 23257, the text read, "The surfactant employed here was sorbitan monooleate". This should have read, "The surfactant employed here was sorbitan stearate".

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
