FACULTY SENATE RESOLUTION 81-5

WHEREAS Faculty Senate Resolution 79-14, concerning the assigning of grades at withdrawal from courses, has never been implemented by the University,

AND WHEREAS it appears that the implementation of the Resolution would lead to administrative as well as academic complications,

BE IT RESOLVED THAT Faculty Senate Resolution 79-14 be rescinded,

AND BE IT FURTHER RESOLVED THAT the following policy be adopted: "A 'W' will be entered on the student's record for any course dropped after the third (second, in summer term) week of the semester but not later than the end of the second week (ten calendar days in summer term) after mid-semester grades are due in the Office of Student Records and Registration. After that time, students may not drop courses unless authorized to do so by their dean. This regulation applies to all courses dropped when students resign from the University.

AND BE IT FINALLY RESOLVED that all appropriate statements of university policy be revised accordingly.

Adopted: April 21, 1982
